5 Devs Donator galloped on the far stretch in the last run and got locked in with energy left before that. Has six wins in 19 attempts so far. 7 Jo Black faces nice conditions money-wise in this race. Got a trip from far back in the last run but finished alright. Had two straight wins before that. 4 Crowning Kronos has put in a couple of nice efforts this year and is an early contender in a race like this. Kept up the pace well on August 15th. 6 Santos As comes from a nice third spot and was not empty at the end. Scored two good wins in a row at the end of last and the beginning of this year.

14 Demir K.M.E. uses to finish strongly and has two runs under his belt after a long pause. Could pass all opponents to victory here. 2 Notos is good for this class and resumes from a spell. Has been at least third in nine out of 14 starts. 9 Ad Victoriam has not been very successful in both starts after a pause. Put in a couple of strong efforts last year. Contender. 6 Tarmac scored a good second spot in the V75 earlier this year (April 7th). Is in better form than the results show. He was not empty at the end in the last run.

2 Nightontheroad started with two straight wins (finished to victory in the debut and won in the lead after that). Nice number here and our pick. 3 Wanderlust Pellini is a good opponent who was fourth two starts back despite an early mistake. Challenger. 4 Make Or Break Zaz won easily in the lead two starts back and did not find room in time in the last run second up. Was not empty then. 12 Manifest Boko finished well in the last run a bit behind the winner fourth up. Could be in the mix here with the right journey.
